Mr. Thomas D. Senevey, Sr.  
Complete Aluminum General Contractors, Inc.  
1910 Barber Road  
Sarasota, FL 34240

Dear Tom:

It gives me great pleasure, on behalf of the Association, to give a big thumbs up, and also a big THANKS for doing such a wonderful job on the concrete restoration and the installation of our hurricane sliding glass doors. As a member of the Board of Governors, and on the concrete restoration committee, I had a chance to work closely with our Manager, Scott Bush, along with Tom and his two fine Superintendents, Don and Jeff, along with all of the work crew. Being a residential home builder and developer at home in Rhode Island, I found them extremely easy to work with. They are all so very professional, and handled all of our questions, and the questions from our owners with courtesy, and took care of any small problems quickly. We were also very pleased with the fact that the job was completed with very few change orders, on time, and under budget. That in itself tells you a lot.

We therefore, as an Association, are happy to send a strong recommendation to anyone who is thinking of having this type of work done, to think of Complete Aluminum first.

Please don't hesitate to call me, if there are any more questions!

Sincerely,

Robert B. Domin  
Board Member and Owner
