To Whom It May Concern,

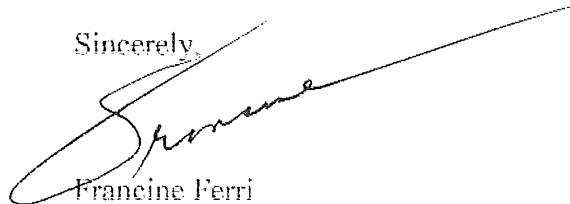

It gives me great pleasure to write this letter. I live at 16424 Timberlakes Dr.,  
Bldg 1, Unit 102, Fort Myers, Florida 33908 (The Forest/Dove Hollow)

Your company has been contracted to do our screen enclosures. The 3 fellows that  
are working on this project have represented your company with the highest level of  
professionalism. Not to mention the quality of work they do. They have cleaned up after  
themselves never indicating they were working on our property. They are truly an asset  
to your company.

Being in the Real Estate/Property Management Business for many many years, no one  
ever tells you the good, they just complain and give you all the negatives.

Thank you.

Sincerely,

Francine Ferri
